ABOUT US

Francesco Schinocca class 82 and Giuseppe Panicara class 86 are two Italian DJ Producers and together they form D BEAT.

Both fans of electronic music, although born and raised in two different cities, Francesco coming from Sicily while Giuseppe from Campania, Fate wanted their stories to cross in the distant 2017 in Bologna during a private party organized by friends in common, between a chat and another and thanks to the sharing for the same passion decide a little to play, a bit for pastime, to start experimenting together the research and production of a new innovative and not discounted sound suitable for clubs.

In 2020 comes their first record release and from there they never stopped releasing various tracks and EPs on labels such as: [Trax Records](#), [Kleos Recordings](#), [Beat Circus Records](#), [Housetribe Rec.](#) to name a few.

Pump It, Tomahawk and Peacemaker are three of their most recent releases released under the Trax Records label, with which in 2022 they signed a contract that officially made them A&R for Italy.

Their style ranges from House to Tech House with Dub and Minimal influences, all seasoned with a powerful groove, perfect for any context.
